ONI DECLASSIFICATION/RELEASE INSTRUCTIONS ON FILE

## Approved For Release 2005/05/16: CIA-RDP80-00809A000500500008-5

General Information  5				25X1	
sither in the dress of the people, what there was to buy in the sto or the condition of the town in general. Posters of both Malenkov and St were seen, and Malenkov seemed to play as important a role as Stelin. Raing was still in progress and there was no construction, although some at repairs were being made. A few new buses were seen, however most of the transportation appeared to be old and worn. No unusual groups of people observed and no military groups were seen. There were many individual so and sailors seen in the streets of Novorossisk. No purchases were made be the crew in the city.  7. No military activity was observed in the area. No radar or harbor defens were noted. Upon leaving the port of Novorossisk the ship was gethorough search by Soviet officials.	-		Confidential_
